A new fleet member!

At the start of November we welcomed a new member to our fleet. A Kenworth K220, make sure you keep an eye out for Shane on the road.

Have you spotted our new slogan?

Summer is here!

As we said goodbye to 2024, and the December weather. January is now providing some warmer days and some sunshine. Now is the time to get the BBQ out, the sprinklers on the garden and call us for any work that needs doing.

We have had a restful Christmas period and are now all back on deck. We are looking forward to the year ahead!
